To achieve extravagance, the artisans handcrafted the structure in mahogany with a high gloss black lacquer finish and top coated in polished brass plated. Contains three drawers.

SYMPHONY - FREESTANDING WASHBASIN

With a vision to understand the past and interpret it through cutting-edge technology and contemporary design, we have created this emotionally washbasin passionately inspired by music. Handcrafted with the finest materials, this breathtaking piece is of genuine style, ensuring mystery and elegance.

KOI - FREESTANDING WASHBASIN

KOI carp is a recurring symbol of Japanese culture, highly appreciated by its decorative purposes, not only in water gardens but also in Irezumi practice or, most commonly, in tattoos. Its natural color mutations reveal their capacity to adapt, just like the KOI freestanding washbasin. The KOI scales from the sides of the washbasin shine and reflect – on its brass surface – the sun caught throughout the clear water. KOI is the Japanese word for love or affection, making the carp also a symbol of love and friendship.

LAPIAZ - BATHTUB

Lapiaz inspired this luxury bathtub. The french word is the name given to the typical karst formations produced by surface dissolution of limestone or dolomite rocks. It can also be caused by freezing and thawing in cold climates. This is how Lapiaz unique bathtub emerged. Imagine a stone frozen and freshly cracked to show the entire world a rich, golden interior. The polished brass details and mirrored sides attribute this luxury design artwork an artice yet comfy and warm beauty.
