HAVE THE MOST LUXURIOUS WINTER WITH LUXXU

With the cold days approaching LUXXU has selected a few trends to turn every interior into the most comfortable and inviting place for the upcoming months.

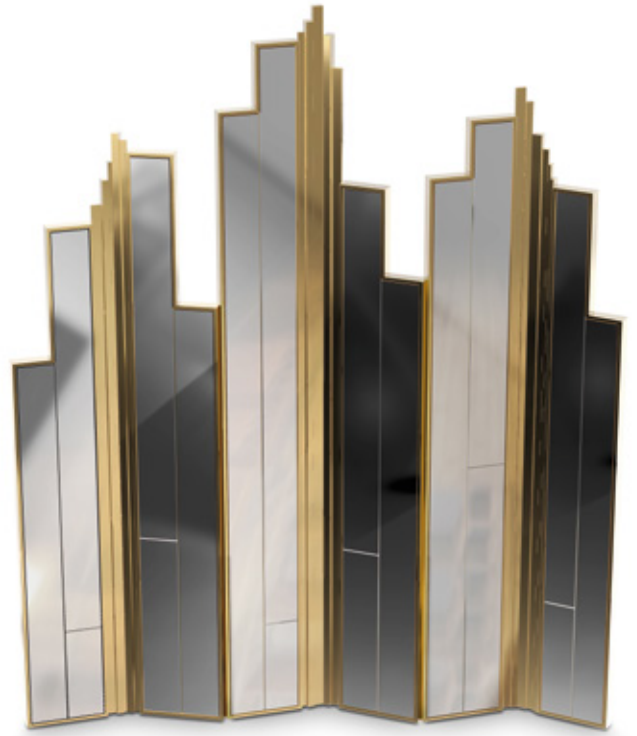

Winter asks for cozy interiors, full of warmth and life. While some of the trendiest colors of the season might be a safe bet you can never go wrong with warm hues of gold in your interiors. Velvet and dark woods complete this luxury collection that looks like it was made for Winter!

Thinking of the colder months LUXXU has created the perfect harmony between classic and modern, presenting us with the most daring and luxurious ambiances, full of comfort and attention to detail.

LUXURY COMFORT

As the wise Coco Chanel once said “Luxury must be comfortable, otherwise it is not luxury.” And what season is best to add comfort to an interior than Winter? Soft and luxurious fabrics like velvet and leather are a safe bet to fill a room with luxury and coziness. The Navis Armchair paired with the Empire Center table are a great option to get cozy without compromising style.

ROOM DIVIDERS

Screens are becoming very popular among interior designers! Perfect to divide small spaces or to add an exotic flare to sumptuous rooms. These two are the perfect choice for anyone looking for that extra touch. The Delta (on the left) and the Empire can turn every interior into the most refined and curated ambiance.

BRASS EVERYTHING

As the wise Coco Chanel once said “Luxury must be comfortable, otherwise it is not luxury.” And what season is best to add comfort to an interior than Winter? Soft and luxurious fabrics like velvet and leather are a safe bet to fill a room with luxury and coziness. The Navis Armchair paired with the Empire Center table are a great option to get cozy without compromising style.

DARK INTERIORS

Glamorous meets Bohemian in this incredible interior filed with golden elements and pops of color. Golden lamps stand out beautifully against dark walls, creating a timeless and effortlessly chic ambiance. The Babel Suspension with its uneven shaped crystal gives the most unique lighting refraction while the Burj Torch Wall is a symbol of luxury and elegance capable of adding gracefulness to any room.

FLORALS

It might seem a bit unconventional but florals are definitely in for the Winter! To make sure it's cold weather proof a dark setting is the best option, being one of the major trends for this season. And don't forget that the lighting it's a vital part in any room, so select one that you'll love as the Majestic Chandelier, a piece capable of adding a romantic atmosphere to any ambiance.

STATEMENT LIGHTING

LUXXU wouldn't be the same without all the little details that the brand's pieces have. The McQueen Pendant is no exception, capable of taking even the simpler interiors to the next level it's an exquisite lighting fixture made with the finest materials and embellished with Swarovski Crystals. The golden and its warmth combines perfectly with white when creating a winter ambiance.

WARM THIS WINTER UP WITH LUXXU!
