As well this stunning building has its unique place in New York City, LUX XU's designs want to have a place of honor on the luxury lighting's world. Empire Chandelier is one of LUX XU's best-sellers and it's inspired by the stunning lines of Empire State Building. The chandelier is an extravagant shape full of modernity capable to transform every space in a stunning scenario.

To complement the chandelier, LUX XU created a pendant version, inspired by the stunning design of Empire State Building too. The lighting piece has elegant lines and it's a natural decor piece that creates an exclusive decoration setting.
